## Event Report - THANK YOU!!

The 2009 Fall Bare Bones Classic WC/I/X tests went smoothly and were another success for the club. A total of 27 dogs representing three retriever breeds were entered. Handlers traveled from all over Maine as well as NH, MA, CT and NY and we were happy to welcome some new faces this year. The weather was cool and misty with just enough air movement to be advantageous to the working dogs. Thanks to Doris Aylward and Carey Phillips who did an excellent job setting up tests that were appropriate and fair for all the various stakes that were offered.

Thank you to everyone who came and helped to make the event a great success again this year. The help we received from preparing the grounds to cleaning up after the tailgate party was very much appreciated. Special thanks to game stewards and crack shooters, Bret Hovey and Mike Lewis and also to Melissa Wood for printing up the Award Certificates for all the qualifiers.

This event brought in over \$400.00 profit for the PHRC after all expenses are paid including birds, ammo, ribbons, judges gifts, travel costs and printing charges. More importantly, it provided another opportunity for club members and friends to get out and enjoy a good time with their Retrievers in a relaxed atmosphere. A full income and expense record has been submitted to the president and will be available to members at the December meeting.

## NOTICE:

### FMDCRDO Breeder's Directory Listings

This year, the Federation will be posting breeder ads on their website instead of printing up a breeder's directory as they have in the past. Ad fee is still \$12.00 per breed. As always, breeder's must be members in good standing of an FMDC affiliated club for at least one year to be listed.

If you would like to be listed on the Federation's website, contact Sue Robichaud at [wassookg@uninets.net](mailto:wassookg@uninets.net) to request a breeder's ad card. Complete the card and return it along with your payment. Please make checks out to Sue or Dave Robichaud. All cards must be returned by November 12<sup>th</sup>
